

DIGIFEST

Register today. First eight teams each category only.

Registrations close (to be advised)

Teams of primary age pupils from around Canterbury will have great fun at this challenging team-based competition. The half day is a celebration of eLearning, collaboration, thinking, problem solving and digital tool use.

Competition Sunday (Date to be decided yet)

Register online at Digifest.co.nz

Prizes
Team Trophies, medals and vouchers.

The competition categories are at two levels, primary and intermediate of this range of genre:

- Movie Making (iMovie, Final Cut, MovieMaker etc)
- Presentation (Keynote, Powerpoint, Google Present etc)
- Music (Garageband or similar loop use tool)
- Robotics (NXT) Programming and building challenge.
- Programming - Drag and Drop (Scratch, Tynker, Alice etc.)
- DTP e.g. brochure/newsletter and sticker/button/logo
- Website : 3 or 4 pages
- Minecraft Challenge
- 3D Design
- Maker Technologies

Teams can use their own laptops, iPads and other digital hardware to complete the challenges.

This year's theme is, "Welcome to the Dark Side... with a dash of hope." Each section will have its competition based around our this exciting topic to encourage creativity.

TIME	What happens?
9AM	Teams arrive, register, hand in media release forms and move to the area for the competition they have entered. At this point they setup their equipment and prepare themselves for the competition.
9:30 AM	Contestants gather and the judges in each category will outline the "mission" for each challenge. The challenge will be based around the theme for the year.
10AM	Teams plan their response then work together to complete the one and half hour challenge (movie making/ mine craft are two hours).
11:30AM	The teams complete the challenge Adjudicators judge the entries to award places and prizes Teams have lunch (brought with them). Sausage sizzle will be available.
12:30PM	Awards ceremony and presentations, spot prizes. Category awards and overall (from primary and intermediate) winners.

Digital Tools Festival: Fast Team Based Action. Creative.
